## Professional Summary

Reliable and friendly hospitality and retail worker with hands-on experience as a waiter in a busy London restaurant and as a cashier in a high-volume retail store. Currently studying MSc Data Science at the University of Roehampton and seeking part-time work in London. Confident with customers, accurate with cash and orders, quick to learn, and fully available across days, evenings and weekends.

## Core Skills

- **Customer Service:** Greeting guests, taking orders, handling queries with a polite, can-do attitude.
- **Hospitality Operations:** Table service, food running, clearing, resetting, and supporting kitchen staff during peak hours.
- **Cash & POS:** Accurate cash handling, card payments, and till operation.
- **Hygiene & Safety:** Food safety awareness, allergen care, and cleaning standards.
- **Soft Skills:** Punctual, calm under pressure, team player, clear communicator in English.
- **Right to Work:** Student visa with permitted part-time working hours in the UK.

## Work Experience

### Waiter | Dosa Kadai Restaurant, London

Feb 2026 – May 2026

- Greeted guests warmly, seated them, and provided menu recommendations to enhance the dining experience.
- Took accurate food and drink orders, communicated allergens and special requests clearly to the kitchen team.
- Served South Indian dishes promptly during busy lunch and dinner services, keeping turnaround times short.
- Handled card and cash payments, processed bills on the POS, and managed tips and end-of-shift cash-up.
- Maintained cleanliness of tables, service areas and front-of-house, following UK food hygiene and health & safety standards.
- Built rapport with regulars and supported the team during peak weekend rushes, helping the restaurant maintain strong reviews.

### Cashier & Sales Assistant | Reliance Trends, Bengaluru

Jan 2024 – Dec 2024

- Delivered proactive service in a fast-paced retail store, answering product questions and suggesting alternatives to drive sales.
- Operated cash registers and POS systems, processing cash and card transactions accurately across long shifts.
- Kept the shop floor tidy and well-stocked by replenishing shelves, refolding displays, and tagging merchandise.
- Resolved customer complaints on the spot or escalated calmly to a supervisor to keep the experience positive.
- Worked closely with colleagues to hit daily sales targets and followed all loss-prevention and safety policies.

## Education

**MSc Data Science** | University of Roehampton, London | Expected 2027

**B.Tech (Bachelor of Technology)** | SRM University, Chennai, India | 2023

## Availability

- Monday – Sunday: fully available across mornings, afternoons, evenings and weekends.
- Able to start immediately and cover short-notice shifts.
